Newsletter September 2019

We hope everyone has been enjoying their summer. Over the past few months the Executive Board of the Alumni Chapter has been working to improve the Alumni Chapter experience. First, we are looking at new ways to get more Alumni involved and knowledge of who we are. The Northeast Ohio Alumni Chapter is for all Delta Chi Alumni, from any Chapter living in the Northeast Ohio area.

Our mission is to further the Delta Chi Experience beyond the undergraduate and your home Chapter, to provide a way to meet socially to continue the experience of brotherhood. Second, we have been working on a rebranding launch, on new forms of communication beyond our newsletters and website. We are now on Twitter and Facebook (links below). We plan on using these platforms to not only promote our formal events, but to have a way to set-up smaller informal events around the area. Third, we have upgraded our newsletters by switching over to Mail Chimp, this will give us better control to manage members who want to ,subscribe and unsubscribe, and have a better cleaner presentation.

Chicago Cup 2 years in a ROW!!!!

The Alumni Chapter again has won the highest award an Alumni Chapter can receive, the Chicago Cup, named after the first Alumni Chapter. We could not been able to achieve this great honor over the past 2 years without all the help and support of our members and Alumni in the area. We had some great programming

and support last year and looking to be better. Looking to join as a member visit neodeltachi.com for details.

Upcoming Events:

We understand your time is important. We looked at the next coming months and with Homecomings and Charterings happening in the area for our local Chapters when wanted to keep our fall programing schedule to a minimum.
